Emne: ISBN NUMBER AND PRINT FORMAT

Dear Augland,

Hope you are doing well,

My thesis has been accepted for a public defense and now I am preparing for the print version.

I would kindly request for the ISBN number of this thesis.

I would also like to request if you can have a look at the first pages of the thesis and confirm if they are okay

I confirm that my thesis can be published in AURA,

I will appreciate for the quick response

Best regards
Emmanuel Chao
