Hei Odd,

Her kommer PDFen til an annen artikkel jeg publiserte i Hellas.

Siden den er på gresk skal du trenge følgende tittel for avtalen:

Ἡ συλλογή χειρογράφων τῆς Μονῆς Λειμῶνος [He sylloge cheirografon tes Mones Leimonos = The manuscript collection at the Leimon Monastery], in Apostolos Spanos & Athanasios Kalamatas, *Τερά Μονή Λειμῶνος. Ἱστορία – Παλαιογραφία – Τέχνη. Πρακτικά Συνεδρίου, Μονή Λειμῶνος 27–30 Σεπτεμβρίου 2001* (=The Holy Leimon Monastery. History – Palaeography – Art. Conference Proceedings, Leimon Monastery, 27–30 September 2001), Athens: Bartzoulianos 2009, pp. 35–55.

Beste hilsen
Apostolos

Dear Apostolos,
there is no problem and you have my permission to publish in the Agder University Research Archive a PDF of your paper on the manuscript of the Leimonos monastery published in the acts of the Conference on Leimonos monastery (ISBN 978-960-6817-13-7).

With my best wishes
