Kjære dere,

Vedlagt kan dere finne PDFen til en artikkel jeg publiserte i en antologi i Sverige. Som dere kan se nedenfor, er det lov å publisere den i AURA.

Er det noe mer dere trenger?

Beste hilsen,
Apostolos

Dear colleagues,

Wanted: Byzantium. The Desire for a Lost Empire (Studia Byzantina Upsaliensia, volume 15) is scheduled to arrive from the press next week. You will all receive three copies each as soon as we get the time to send them. Please let me know what address to use.

In the meantime, PDF offprints of your chapters are already available for download from https://app.sugarsync.com/iris/wf/D8918406_80191883_763893. Feel free to distribute your own contribution to the volume privately or publicly on a web-site (provided that you do not use images with copyright restrictions in this respect). Do not hesitate to contact me if you want an offprint with hidden images or in another paper size than A4.

Many thanks for your cooperation,
Best wishes,
Eric
